MEMORANDUM FOR: Director, Public Affairs

FROM: EA/DDCI

Executive Regis

84 -

083

25X1

Would appreciate your not writing letters like the one to [redacted] in the future without our knowing about it first. We could get calls or a person could bump into John at a social function or whatever and we could be completely blindsided. Either let us see them first or answer in a more general way.

25X1

Thanks,

25X1
